💼 PROFESSIONAL EXPERIENCE

Full-stack Developer, UO solutions

09/2020 – 12/2022 | Miami, FL 33131, United States

- Prepared complex user interfaces and data interactions within a strict deadline in collaboration with 20+ designers and 50+ developers.
- Established and managed SharePoint permissions across 50+ clients, app, and sites in the first month of joining the team.
- Developed and maintained 18 web applications using modern full-stack frameworks such as MEAN (MongoDB, Express, Angular, Node.js) and MERN (MongoDB, Express, React, Node.js) while I was a employer in the agency.
- Designed and developed applications for use within the company to improve efficiency and reduce paper waste.

Senior WordPress Developer, UO solutions

05/2018 – 09/2020 | Miami, FL 33131, United States

- Led a team of designers and developers to deliver custom WordPress solutions for diverse clients.
- Translated client requirements into responsive and visually engaging websites utilizing HTML, CSS, JavaScript, and PHP.
- Developed 20+ custom WordPress themes and plugins to enhance functionality and meet specific project needs.
- Collaborated closely with clients to understand their goals, provided expert guidance, and ensured timely project completion.
- Optimized website performance through efficient coding practices, caching techniques, and performance analysis

Junior Front-End Developer, KangaCoders

06/2017 – 05/2018 | 2018 Antwerpen, Belgium

- Optimized 7 web pages for speed and performance by eliminating unnecessary scripts/styles and increasing load time by 69%.
- Developed and maintained web applications using modern web development frameworks such as React and Angular.
